

## EGO "dodgey is my middle name" TESTICALS RUN

### Run 1815 @ EGOs backpackers Share house

VENUE: The sprawling "Childers" style backpackers resort / firetrap where EGO resides. This place has many hashers guessing how many humans has he actually managed to stuff into smallest of cupboards.

TOY BOY was detailed off to give this weeks run report. Everyone expected the trail to be a shit fight and they were not to be disappointed. The runners were taken past both the neighbourhood Paedophile palace and the discount drug den. The trail contained some very unique markings that EGO was forced to make up on the fly as he crossed and recrossed the trail from the previous wednesday. 2/10  
SUELLEN also remarked on the strange markings that led us walkers to the dinosaurless dinosaur park. It was during the drink stop that we heard the alarming statement from EGO "Has anyone ever lost the runners pack on a run before?" 2/10

Returnees, Visitors and Virgins: DICKHEAD2, MIXO, WEATHERMAN, BETTY BOOP, RAMBO, BIG BOY, SEXTOY and SOFT CENTRE

### CHARGES.

TUN, TUN Glorious TUN was dished out in galloons to the following:  
MCTAF was charged for writing superior hash notes and is likely to win a record eighth Pulitzer prize at the end of the year.  
EGO - worst trail markings EVER, HIDDEN FLAGON found himself on the wrong side of the fence at Jurassic world - twice, SCARLETT for stretching.  
HOT LINKS for impersonating HOT LINKS and BETTY BOOP for destroying a perfectly reasonable charge  
All the Dopey moles and Scanky Ho's then partook of the glorious Tun (as you do)  
GERBILS was charged with failing to run himself over, GREASE NIPPLE was variously charged with excessive horn blowing and failing to look like the newly departed DOUBLE SHUFFLE. HIDDEN FLAGON was charged with TUN abuse as it was chilled to an almost palatable temperature  
The multiple pulitzer prize winning MCTAF was wrongly accused of not fucking up the hash songs  
The sartorially confused EGO was charged for not having enough alcohol content at the drink stop.  
WEATHER MAN was charged for not fucking up the last charge.

Charges were then OFFICIALLY closed ???? **wotever**. Wankers  
As quick as a flash, all English hashers were charged on behalf of the English cricket team for losing to NZ

DATE DIVER is a big prick, QUITE FRANKLY is now the little prick

Well done to CRYING DICK for 60 runs, DICKHEAD2 for 370 runs, FISHFINGER for 80 runs, RAMBO for 150 runs and SEX CHANGE for 390 runs.  
Well done to RICHARD GEAR for surviving on planet earth for one more circumnavigation of the big ball of flaming gas.

And, for the benefit of SOFT CENTRE, I would like to acknowledge the efforts of the Saint Kilda Football Club for shattering the Demons hearts on Sunday.  
In the end, the Nosh could have been anything? was it Kangaroo mince as eluded to by EGO? was it just mince? Where was the pumpkin soup, glowing or otherwise which we were all gagging for? Was the meal in fact as Jiz free as we would have liked?

Good health to you all, On On
